

South Otterington Church of England Primary School Green Procurement Statement

We will ensure that we purchase products and services that consider environmental aspects, potential impacts and costs, associated with their life cycle. Our practice of procuring products and services will ensure that they are less harmful to the environment (land, air and water) and that they are made with less harmful materials when produced, used or consumed. This will include buying local; buying recycled and recyclable, using less chemicals and reducing the school's carbon footprint associated with products and services.
