Parent Survey Results

Dear Parents and Carers,

Thank you ever so much to the forty-two families who took time to return our parent survey and especially to those of you who gave additional written feedback. I am writing to provide you with a summary of the results. The most frequent results are in bright green, then pale green, then pale yellow and then pale orange.

I am delighted to see that so many parents and carers strongly agree that we are a highly effective school. We strive to be outstanding in all aspects and it is most pleasing to see that the results reflect this. I do hope that in the couple of cases where responses have been returned as "tend to disagree" that you will make an appointment with myself or a member of the senior leadership team, so that we can address any residual issues.

In terms of bullying, I would like to reassure you that on the very rare occasion when this does take place that it is taken extremely seriously and dealt with swiftly and effectively. Our behaviour and anti-bullying policies are available on our website, as indeed are all of our policies.

Please ask if you would like us to provide written information in a more helpful language or format e.g. large print.

The results are also represented pictorially below:

Thank you again for your continued support. If you have further questions, please do not hesitate to contact me.

Yours sincerely,

Mrs K. Williamson,
Headteacher
