Congratulations to Big Otters - Ofsted judge all aspects to be GOOD!

Dear Parents and Carers,

I am absolutely delighted to tell you that our new before and after school club "Big Otters" have received an excellent Ofsted inspection report. Only six months ago Mrs Natalie Laverick and her staff launched "Big Otters" and the club has been a great success - thoroughly enjoyed by all of the children who attend. I have received extremely positive feedback from parents.

The inspector judged all aspects of provision to be good, stating that:

- *Children's personal, social and emotional development is given high priority. Children are happy and confidently explore their environment, moving freely within the room and the outdoors.*
- *The range of resources and activities provided are effective in supporting children's varied interests. This enables them to be motivated in their play and they show good levels of independence in what they do.*
- *Children are very well safeguarded in the setting. This is because staff have a thorough knowledge and understanding of how to protect children and how to ensure the premises are safe.*
- *The strong partnership with parents is a particular strength of the out of school club. Parents are kept well-informed and are very positive about the care their children receive after school.*

The full report is available in school and will shortly be available on our website. You can also access the report on the Ofsted website.

We are extremely fortunate to have such a fantastic facility at our school. Please do support the club - Why not send your children along one Wednesday after school when it's baking night?

Thank you for your continued support.

Yours sincerely,

Mrs K. Williamson,
Headteacher
